LB 623, 648, 663, 694, 835, 908

Chambers' amendment and advance LB 623 as it was amended on General File.

SENATOR KAHLE: Senator Chambers, there are no other lights on, would you wish to close?

SENATOR CHAMBERS: Mr. Chairman, rather than try to just strike Senator Labedz's language and not have something in its place, I would like unanimous consent to withdraw what I have up there now. What I am withdrawing is an attempt to strike everything Senator Labedz's amendment says without putting anything in its place. So I am asking unanimous consent to withdraw that. And then what I have up there can take its place behind whatever other amendments were there before mine.

SENATOR KAHLE: Are there any objections? If not, so ordered. Speaker Nichol.

SPEAKER NICHOL: Mr. Chairman and members of the Legislature, since we are running out of people, it doesn't hardly seem fair to attempt further amendments. So if the Clerk has anything further, I suggest we do that and then have Senator McDonald pronounce the benediction until nine o'clock, Monday.

CLERK: Mr. President, your committee on Revenue whose Chairman is Senator Carsten reports LB 835 advanced to General File with committee amendments attached. Signed, Senator Carsten as Chair. (See pages 531-532 of the Legislative Journal.)

Government Committee whose Chairman is Senator Landis reports LB 663 advanced to General File with committee amendments attached; and 648 as indefinitely postponed, both signed by Senator Landis. (See page 532 of the Legislative Journal.)

Mr. President, Senator Schmit would like to add his name to 694; and to LB 908, Senators Vard Johnson, Newell, Higgins, Fenger, Withem, Schmit, Hannibal, Pirsch, Hoagland, Lundy, Kilgarin, and Labedz would like their names to LB 908.
